Saint Joseph's Oratory of Mount Royal

A place of nature, culture and spirituality, Saint Joseph's Oratory welcomes you to the heart of the city. Founded in 1904, the most important shrine dedicated to Saint Joseph is an exceptional place of pilgrimage associated with Saint Brother André, its founder. The distinctive architecture of this building and especially its imposing dome, give it a remarkable physical and symbolic presence in Montreal. Be inspired by the rich heritage, works of art and exhibitions of the Oratory Museum, organ and carillon concerts and the Garden of the Way of the Cross.

Val Notre-Dame Abbey

Founded in 1881, Val Notre-Dame Abbey, previously in Oka, has 20 monks who pray 7 times a day in the chapel of the monastery. Anyone can participate in these times of prayer, the guests who stay in the hotel as well as visitors passing by. The monks support themselves by offering various products in their store or online: chocolates, nut butter, caramels, cakes and edible forest products. The store offers a wide range of local Lanaudière products and religious items. A room inside the gift shop hosts exhibitions in the summer and turns into a cross-country ski centre in the winter. Information sessions about forest products and cooking classes take place in the store area.

Basilique-cathédrale de la paroisse de Notre-Dame-de-Québec

Welcome to Quebec City's Notre-Dame Cathedral, the official home of the oldest Catholic diocese from North America to northern Mexico. This church was then turned into a cathedral in 1674, before being expanded and altered by several generations of architects. It remains a model of religious architecture. Bombarded during the siege of Quebec in 1759, the cathedral was rebuilt fairly accurately over a five-year period from 1766 to 1771. In 1843 it was equipped with an impressive neoclassical façade, which elevated this cathedral to the rank of a basilica in 1874. Ravaged by a fire in 1922, it was, again, almost entirely rebuilt. Keeping its monumental appearance in the mid-19th century, it was proclaimed Canada's primatial cathedral in 1956. Eventually, it was given the title of primatial church, as it is the mother church of the first Catholic diocese in Canada.
