The Great Success

of the All-Virtual Bienvenue Québec Travel Trade Show!

We, at the Bus Carriers Federation, are more than happy with our first virtual travel trade show experience. It succeeded thanks to all those who attended the event so to be ready when the Quebec tourism industry gets back on track.

A great number of buyers showed up for the event! Over 125 national and international delegates of travel agencies, receptive agencies and tour operators from all over the world registered to meet the suppliers of tourism products and services in Quebec, Eastern Canada and the American East Coast. A major increase in the number of international buyers confirms this keen interest in the development of new programs on the province of Quebec and other destinations.

Through this virtual edition, delegates discovered the multiple tourism experiences Quebec has to offer, and also became aware of the health measures developed by the tourism industry to reassure travelers and show that the province of Quebec is and will be a most secure destination.

Close to 200 sellers from the 21 Quebec tourism regions also showed up. This virtual edition seems to have met all expectations. The meetings made it possible to take stock of the situation and take the pulse of what the coming months, even year, have in store.

BIENVENUE QUÉBEC in a few numbers

- Over 125 buyers from 14 countries.
- 28% of them are participating for the first time.
- 20% come from international markets such as Spain, Italy, France, Germany, the Netherlands, the United Kingdom, Mexico, Argentina, Brazil and India.
- The North American market is well represented, with 50% of buying delegates coming from the United States, Ontario, Western Canada and the Maritimes.
- Over 200 sellers from the 21 Quebec tourism regions.

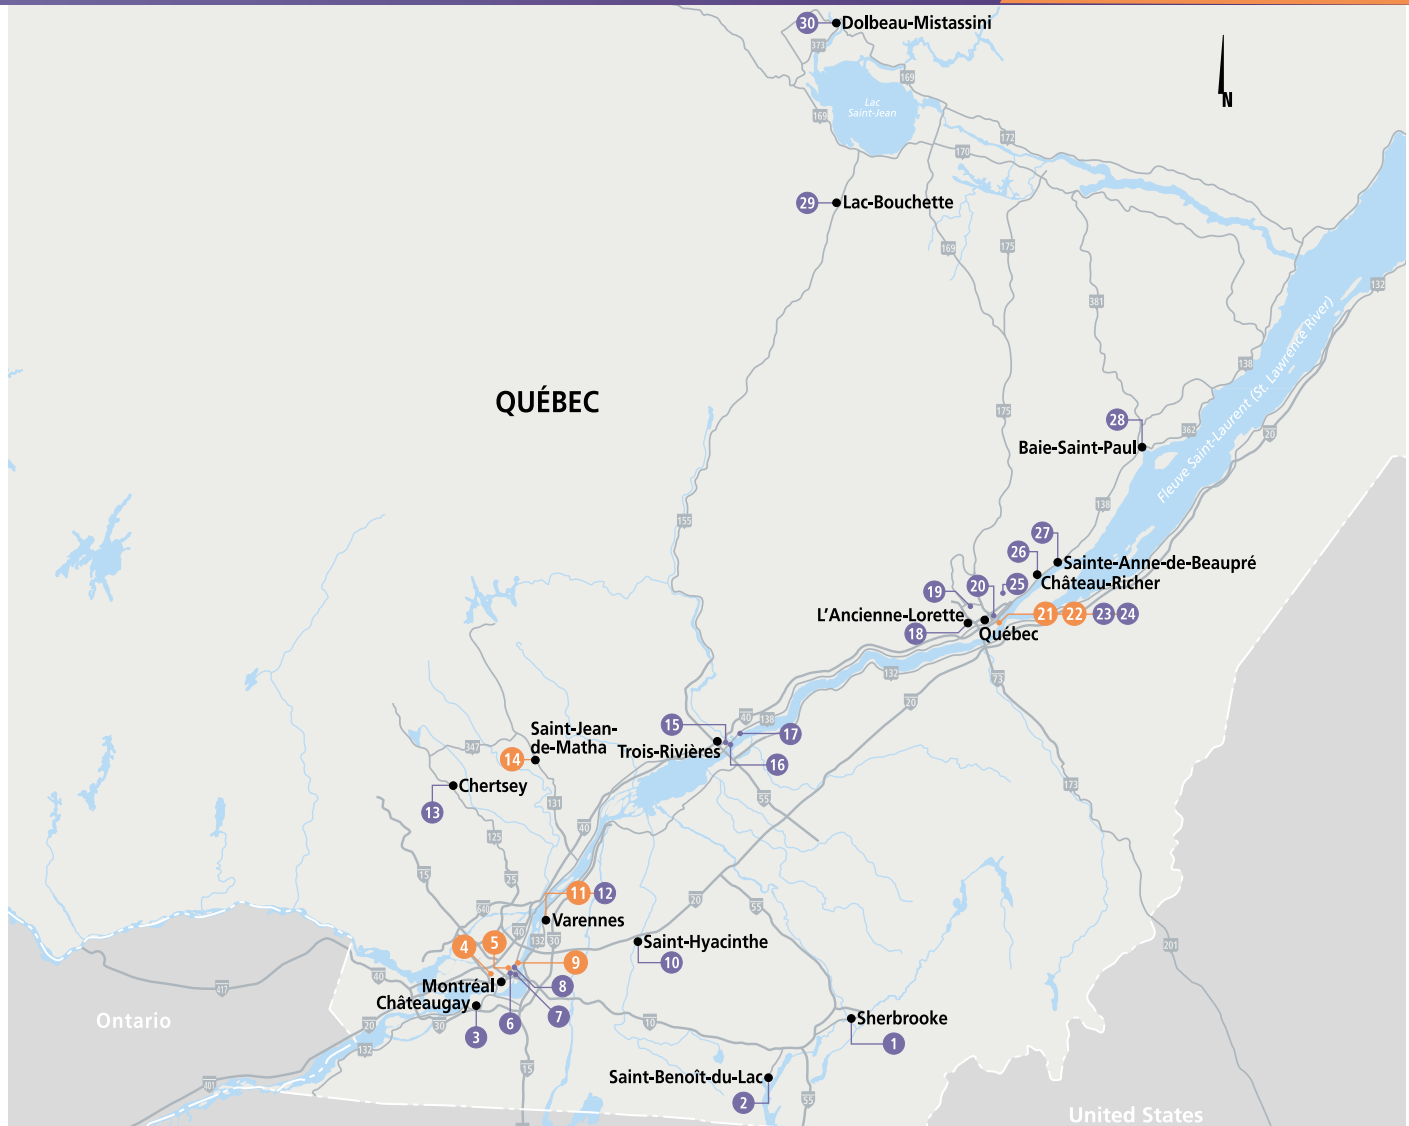

SEE YOU NEXT YEAR!

Bienvenue Québec 2021 will be holding its 33rd edition in the beautiful Outaouais region! The Bienvenue Québec Trade Show will take place October 25-27, 2021.

Please write these dates down in your agenda.
