NEWS

Opening of the Holy Door – Québec city

ecdq.org (closer to the date)

To celebrate its Diocesan Jubilee (350 anniversary) and the history of the Faith in America, the Notre-Dame de Québec Basilica-Cathedral will open its Holy Door from December 8, 2023, to December 8, 2024.

Saint Marguerite d'Youville Sanctuary

sanctuaireyouville.ca

For the 350th anniversary of the founding of the city of Varennes, the city underlines the influence of Saint Marguerite d'Youville, born there in 1701. Visitors to a building with colourful stained-glass windows are invited to follow Marguerite's footsteps through artifacts and archival documents.

2023 – 50th Anniversary of Guido Nincheri's Death

sanctuaireyouville.ca

In 2023, we will celebrate the 50th anniversary of the death of Guido Nincheri (1885-1973). The Italian-born artist decorated 200 churches in North America, and the Basilica of St. Anne in Varennes houses fine examples of his work.

Spiritours – Special Programs

spiritours.com

Two new programs in Quebec; one in French only, "Immersion et réconciliation en terre autochtone" – 9 days: discover the North Shore, where the St. Lawrence River turns into a sea, the landscapes grow in size and beauty. And "Pilgrimage to Montreal, Quebec and the Holy Door" – 6 days: Celebrate the Jubilee Year at the first Catholic Parish in North America (Canada and USA) and gain Plenary Indulgence by walking through the only Holy Door in the Americas.

2023-24 – Noah's Ark

margueritebourgeoys.org

The Historic Site Marguerite Bourgeoys addresses this theme through the paper sculptures created by artist Claude Lafortune, which tell this famous myth in their own way. From May 25, 2023, to March 17, 2024.

2023-24 – Nuns, Teachers, and Scientists!

musee-ursulines.qc.ca

The exhibition also presents the winding path that led women to be able to study and work in science, with limited options for them until the 1960s. The topic remains relevant today as the female presence in some of these disciplines remains timid. Broadcast in the exhibition, the testimonies of contemporary scientists, including volcanologist Julie Roberge, prove to be inspiring for new generations. Something to stimulate the curiosity of both male and female visitors for science! From May 4, 2023, to April 7, 2024.

Manoir D'Youville

manoiryouville.ca

Our local vegetable production; is a working platform for ten young people. - In homage to the Gray Nuns, who owned Manoir d'Youville in Châteauguay for more than 200 years, the establishment has just planted a 5,000-square-foot vegetable garden on its land on Île Saint-Bernard. Twenty minutes from Montreal, the team will grow vegetables identical to those grown in the past by the congregation. More than a nod to history, this novelty is part of a food self-sufficiency approach. We will bring the vegetables grown from the ground to the table like in the days of the Gray Nuns. The menus of the renowned restaurant Chez Mes Soeurs and the popular bistro La Traite will benefit all year round from this generous local harvest.

Integration of young people into employment - We entrust a dozen young people with the autism spectrum and an intellectual disability hired as part of a work integration program. Under the supervision of two rehabilitation workers, they will acquire social and professional skills. The Manoir, in collaboration with the Montérégie-Ouest Integrated Health and Social Services Center, will provide them with work all year round in the vegetable garden but also as kitchen maintenance tasks. Such a measure reflects the social mission of the establishment.
