### ***Opening of the Holy Door – Québec city - [ecdq.org](http://ecdq.org)***

From December 8, 2023, to December 8, 2024. To celebrate its Diocesan Jubilee (350th anniversary) and the history of the Faith in America, the Notre-Dame de Québec Basilica-Cathedral opens its Holy Door.

*The Holy Door is an actual door located in the wall of the Sacred Heart Chapel of the Basilica-Cathedral of Notre-Dame de Québec on the cathedral's north side. Having one is an exceptional privilege authorized by the Holy See. The Holy Door of Quebec was inaugurated in 2013 on the 350th anniversary of the founding of Notre-Dame de Québec parish, the first parish in North America, north of the Spanish colonies of those days. There are only 7 in the world. 6 are in Europe:*

1. Basilica of Santa Maria in Collemaggio.
2. Basilica of Santa Maria Maggiore
3. Basilica of St. John Lateran
4. Basilica of St. Paul Outside the Walls
5. Basilica of St. Peter
6. Cathedral of Santiago de Compostela

*The Holy Door of the Basilica-Cathedral of Quebec is the only one outside Europe. The Holy Doors play the symbolic role of a path of conversion and grace. People from all walks of life who pass through a Holy Door do so as a spiritual itinerary. The Holy Door is linked to the pilgrimage experience, a symbol of human life, of the earthly passage towards a horizon of eternity, during which one encounters God on one's life journey. The Door symbolizes Jesus Christ, who said: "I am the Door. No one goes to the Father without passing through me." People from all walks of life who pass through a Holy Door do so as a spiritual itinerary.*

### ***50th Anniversary of Guido Nincheri's Death - [sanctuaireyouville.ca](http://sanctuaireyouville.ca)***

In 2023, we celebrate the 50th anniversary of the death of Guido Nincheri (1885-1973). The Italian-born artist decorated 200 churches in North America, and the Basilica of St. Anne in Varennes houses fine examples of his work.

### ***Spiritours - Two new programs in Quebec - [spiritours.com](http://spiritours.com)***

"Immersion et réconciliation en terre autochtone" – 9 days: discover the North Shore, where the St. Lawrence River turns into a sea, and the landscapes grow in size and beauty.

"Pilgrimage to Montreal, Quebec and the Holy Door" – 6 days: Celebrate the Jubilee Year at the first Catholic Parish in North America (Canada and USA) and gain Plenary Indulgence by walking through the only Holy Door in the Americas.

### ***Historic Site Marguerite Bourgeoys - [margueritebourgeoys.org](http://margueritebourgeoys.org)***

**Noah's Ark** - From May 25, 2023, to March 17, 2024. The Historic Site Marguerite Bourgeoys addresses this theme through the paper sculptures created by Claude Lafourche, which tell this famous myth in their way.

**Bonsecours Neighbourhood** – walking tour in Old Montreal to learn about the history of Montreal.

### ***Nuns, Teachers, and Scientists! - [musee-ursulines.qc.ca](http://musee-ursulines.qc.ca)***

From May 4, 2023, to April 7, 2024. The exhibition also presents the winding path that led women to be able to study and work in

science, with limited options for them until the 1960s. The topic remains relevant today as the female presence in some of these disciplines remains timid. Broadcast in the exhibition, the testimonies of contemporary scientists, including volcanologist Julie Robege, prove to be inspiring for new generations. Something to stimulate the curiosity of both male and female visitors for science!

### ***Musée des Hospitalières - [museedehospitalieres.qc.ca](http://museedehospitalieres.qc.ca)***

#### **Themed Tours in Montréal & Suburbs**

**Architecture:** Victor Bourgeau's early days in Montreal.

**Painters:** The tradition of great painted decors in Montreal I: from John Held to Napoleon Bourassa - Victor Bourgeau, Guido Nincheri and Ozias.

**Gardens:** The garden of the Hospitallers' Monastery and its medicinal plants.

**Organ recitals:** A series of concerts showcasing some of our Montreal churches' finest instruments. Demonstrating the organ stops precedes the recitals so you can appreciate each instrument's quality.

### ***Les Sanctuaires du Fleuve - [sanctuairesdufleuve.com](http://sanctuairesdufleuve.com)***

Five places to discover from the Mohawk community to the first Canadian-born saint village.

In 2023, Les Sanctuaires du Fleuve will add two other attractions:

#### **The church of La-Nativité-de-la-Sainte-Vierge:**

Built in 1840-1841. Built during the significant economic boom that La Prairie experienced thanks to the construction of the first railroad in Canada, it was considered the most important rural church in the Montreal diocese at its inauguration.

A guided tour of this church can be complemented by a visit to the **Musée archéologique du Roussillon** near this sanctuary.

It showcases the rich heritage of the 11 towns in the region. Discover over 5,000 years of history through more than 200,000 artifacts from the area. It is possible to visit the reserve. Upon reservation for a minimum of 10 people, an archaeologist will be pleased to welcome visitors and answer their questions.

And the visit can be complemented with a stay at Manoir D'Youville.

### ***Hotel Manoir D'Youville - [manoirdyouville.ca](http://manoirdyouville.ca)***

Located on Île Saint-Bernard in Châteauguay, 40 minutes from downtown Montréal, on the shores of the Châteauguay River and Lac Saint-Louis, Manoir D'Youville is an exceptional resort that boasts a 114-room hotel and eight meeting rooms, located in a lush, tranquil setting where nature meets culture.

The important historical past of Saint Bernard Island makes its unique mark. As the cradle of the Châteauguay seigneurie, heritage vestiges adorn the square and contribute to the beauty of the place. During your visit, you will have the chance to admire one of the oldest mills in North America, dating back to 1686.

## 96 YEARS OF OUR FAMILY'S PASSION

An ongoing tradition acknowledged by the Heritage Council of the Province of Quebec!

Witness how a passionate artisan and now 5 women of his family bring this noble medium to life. Learn more about copper, how we work with it and the unique art of « Repoussé ».

Be amazed by our creations. Discover how we crafted the doors of the Ste-Anne-de-Beaupré Basilica.

Our studio has decorated over 35 churches across North America and counted clients like Pope Pius XII, Walt Disney, and the proprietors of Chrysler and General Motors.

\* The perfect stop after the Montmorency fall and before visiting the Basilica of Ste-Anne, on your way to Charlevoix.
